THE TENTH SESSION OF THE WORLD URBAN FORUM (WUF10)

The world's premier conference on cities.

REGISTER FOR WUF10 NOW

Don't leave it to the last minute - get online at <https://wuf.unhabitat.org> to book your place at the world's foremost meeting of leaders shaping the agenda of our urban future. The Forum runs from **8 – 13 February 2020** at Abu Dhabi's National Exhibition Centre (ADNEC).

FIVE COMPELLING REASONS TO REGISTER NOW

WUF10 is the first major UN event in 2020 marking the start of the Sustainable Development Goals Decade of Action.

Our cities will play a critical role in achieving the 2030 Agenda for sustainable development.

The Forum brings together key influencers in shaping a better urban future in creating cities of opportunities.

Celebrate Innovation and Culture in Cities through discussions with global thought leaders, investors, experts and governments.

This will be the first time that an Arab country will host the world's most important conference on cities and human settlements.

6 DIALOGUE SESSIONS

Daily high-profile dialogues will feature lively, informative discussions on themes ranging from frontier technologies and sustainable cities to urban planning and heritage preservation. The Dialogues will gather a diverse group of high-level speakers coming from all parts of the world. Join and share solutions for a better urban future in celebrating the role of innovation and culture in future cities

16 STAKEHOLDER ROUNDTABLES

WUF is a unique opportunity for stakeholders to lead the debate on sustainable urban development and prioritize action and commitments to implement global development agendas. In Abu Dhabi, sixteen stakeholder roundtables will gather key decision makers, practitioners and thought leaders representing ministers, mayors, women, youth and other several constituencies to define the priorities and commitments towards sustainable urban development.

10 SPECIAL SESSIONS

Join the in-depth discussions on implementing the New Urban Agenda to achieve the Sustainable Development Goals. Topics include the relationship and role of culture and innovation to inequality, migration, climate change and youth as well as sustainable urban development in the Arab region,

5 ASSEMBLIES

Five huge gatherings will take place simultaneously bringing together women, youth, local and regional governments, grassroots groups and business leaders to discuss the future of the world's cities, towns and communities and how they can all contribute to sustainable development. Join one meeting or move between them all to get a wide perspective.

400 EVENTS HOSTED BY PARTNERS

WUF10 is the ideal place to forge new partnerships, share knowledge and network. The Networking Events, Side Events, One UN Room, Voices from Cities, SDG Action Zone, Urban Library will offer an opportunity for partners from all over the world to host an event, showcase their work and exchange experiences. This is your chance to meet new partners and ensure synergy to achieve the Sustainable Development Goals.

30 TRAINING EVENTS

If you want to learn new skills – and develop existing ones – training events are for you. Global leaders from UN agencies, prestigious universities, local governments and other institutions will roll out their innovative tools and methodologies to provide new ways to tackle development challenges.

1000+ SPEAKERS

Global leaders, experts, thinkers, academics, Ministers, Mayors, journalists and many more will feature among the exciting line-up of speakers and moderators bringing the theme, challenges and answers alive.

URBAN EXPO

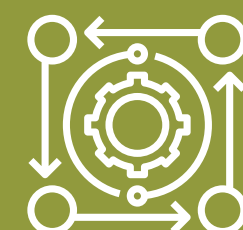

The Urban Expo will feature innovative and sustainable solutions to the challenges facing cities and communities. Join to showcase your ongoing initiatives, share experiences, innovative projects and best practices on sustainable urban development.
